Encl: (1) Index of Effective White Letters

- 1. I have recently completed a review of White Letters. A list of those I have approved to remain in effect is attached as the enclosure.
- 2. The White Letter remains a vehicle by which I can convey my thoughts or views to Marine Commanders on subjects of current interest. These letters are not intended to supplant or duplicate current Marine Corps directives. If the topic requires long term attention, it will become the subject of, or be incorporated in, an appropriate directive.
